# Signature Speaking and Workshop Topics

## #inclusionmatters: 8 Best Practices for Inclusive Leadership

**Let's talk about Diversity and Inclusion.** The topic is becoming one that cannot be avoided. Surveys like Working Mother, Top 50 Companies for Diversity, and the Corporate Equality Index tell us it continues to be a game changer and competitive advantage. So perhaps you're saying to yourself. Yes, I know. We're improving our slates to include a more diverse representation. Great. Now let's talk about Inclusion. Or at least that's what speaker, Simone Morris, is going to talk about. Simone will shine a light on 8 best practices for inclusive leadership during her keynote.

### Key Objectives

- Learn why Inclusive Leadership is OUTRUNNING Diversity as a skill
- Gain 8 Best Practices for inclusive leadership
- Discover 3 things that get in the way of fostering inclusion

## The Power of Owning Your Career

**Is your career empowering or draining you?** Do you own it—or does it own you? In this engaging and interactive professional development workshop, you'll be given the winning formula to maximize your energy and resources, build a strategic team and development plan, and toot your own horn to achieve measurable, bank-able results. During our time together, we'll explore some of the ways you might be avoiding owning your career; we'll outline ways to take ownership of your career; we'll start building your personal brand, and we'll brainstorm ways to create new opportunities.

### Key Objectives

- Learn the importance of partnering with Sponsors and Key Stakeholders
- Move from being a passenger into the driver's seat
- Uncover several tools to manage your career

## Achievement Unlocked: How to Achieve Your Goals by Strengthening Your Accountability Muscle

**Do you reclaim your fondest goals on New Year's Day every year** only to find that, as the year progresses, competing priorities and an apparent lack of sufficient time force you into the same old routine so that making progress toward them appears futile? Without accountability, it can appear almost impossible to achieve the goals that promise you improved work-life balance and less stress. But by spending time with a life coach who will focus on empowering you, you'll head home with strategies for effective goal setting, and concrete steps to build your accountability muscle so you'll achieve more.

### Key Objectives

- Learn the importance of partnering with Sponsors and Key Stakeholders
- Move from being a passenger into the driver's seat
- Uncover several tools to manage your career

 Additional speaking and workshop topics available upon request.

# Testimonials

You did such an amazing job engaging the audience and spreading your confidence throughout.

- Cathie Schorer

We have received so much positive feedback and appreciation from your sessions.

- Alan Douville

This was a fantastic event and opportunity. I learned so much and am excited to put into practice the tools and techniques discussed.

- Becky Pollack

“

Simone facilitated a Womens Leadership Center workshop on goal setting and action planning. Not only did she deliver useful content, she made everyone in the room feel comfortable, which made for a very engaging session!

**Lauren McNally**

Head, AMA Women's Leadership Center

"I highly recommend Simone as an engaging speaker and/or facilitator who will energize your teams and encourage great dialogue."

**Marie Mann**

Senior Vice President, Human Resources

"Her delivery was exemplary. By combining humor, examples, and an informal but highly focused presentation, she demonstrated her command of communications principles and gave her audience immediately useful take-aways."

**Kimberly Boskello**

President, Southern Connecticut SHRM
